## SUMMERTIME MEALS FOR KIDS

When the kids are out of school, the fun begins. But, when many children from low-income families eat one or two free or reduced meals at school each day, this places an additional hardship on struggling families.

That's why, in June, we are collecting kid-friendly foods and drinks. Please donate ready-to-eat meals, snacks and juices. Non-perishable items are great - items like soups, stews and meals for kids, cereal, cereal bars, granola bars, dried fruits, and applesauce are all healthy and handy.

Please bring your food donations to the PATH food pantry during regular business hours. Thank you and Happy Summer!

## Fan Club

Summertime is a beautiful time of year for vacations, swimming and spending time outdoors.

It's also a dangerous time of year – especially for those living in poverty.

As temperatures soar along with the cost of electricity, this time of year often results in preventable deaths and illnesses from the excessive heat.

Throughout the warm, summer months, PATH will be collecting and distributing new box fans for its clients in need. PATH provides one fan per family, at no cost, while supplies last.

Please drop off new fan donations at the PATH office, 402 W. Front., Tyler 75702, 8:30 am-4:30 pm, Monday-Friday.

## School Supply Train Coming Soon

This year, we'll kick off the 2010 School Supply Train collection July 1. Look for the '10-'11 supply list on our website soon - [www.PATHhelps.org](http://www.PATHhelps.org). We will also need volunteers to help with the sorting after the collection ends Aug. 1.

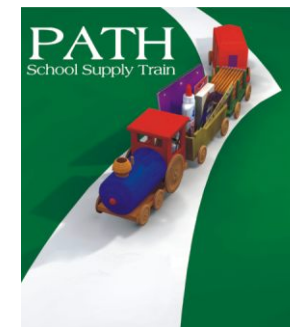

You won't want to miss the **"Bikers Rule 4 School"** event on July 24 at Broadway Square Mall. Sponsored by Gap Broadcasting, bikers from all over the area will ride throughout East Texas collecting school supplies. For more information, contact Becky Duncan at (903) 597-4044, ext. 120, or email her at [becky@tylerpath.org](mailto:becky@tylerpath.org).

## Thanks for the Diapers!

Thank you all for your support of our Diaper Drive in May. Thousands of babies are dry and healthy because of your donations. Thanks too to the MOPS organization and Brookshire's World of Wildlife Museum for hosting our first-ever diaper shower. Our May drive was a huge success. But feel free to bring diaper donations at any time.
